A. Call to Order

Four of five committee member were present and established a quorum. Missing Pete Renaud. We had the Chairman of the IBC Amendment Committee, Bob Flores present. We checked and approved minutes from the prior meeting.

B. A review of the Southern Nevada amendments placed on the Northern Nevada justification form was conducted. A discussion was held and Bob Flores weighed in on the issues. Additional research will be necessary before we are ready for a preliminary vote. The committee considered adding provisions for the new NV. State mandated baby changing tables to Chapter 3, sect. 301.6 to rope in remodels and occupancy changes but leave the definition for the IBC. SNBO amended their IEBC to add the definition of "baby changing table".

- (1) Chapter 1, Sect. 103-117 Removal Administrative Provisions.
- (2) Chapter 2 Definitions Baby Change Table.
