**Location:** City of Reno 6<sup>th</sup> Floor Small Conference Room

**Date:** 11-28-2023

**Time:** 9:30 AM

## I. ROLL CALL

Paul Gordon conducted a roll call. The following persons were present: Paul Gordon, Aaron Viviano, Dan Warrell, Emelio Lozada, Stacey Haltom

## II. DISCUSSION ITEMS

- a) **DIAPER CHANGING TABLES-** The group discussed diaper changing tables again. Everyone was still undecided if we should amend the IEBC to reduce the number of changing tables required in public restrooms. Paul will talk to Marcus to see if the IBC is being amended. If the IBC is amended, there is no need for us to amend the IEBC. Dan mentioned that he noticed there is reference to adult changing tables in the code books. The group discussed whether to amend the IEBC to exclude them. Although no voting occurred, the overall opinion was that the IEBC should not be changed.
- b) **REROOF PERMITS FOR ROOFS WITH MASONRY PARAPETS-**The group discussed roofing again. Although no voting occurred, the overall opinion was that we should not make any changes to the code regarding roofing.

## III. NEXT MEETING

The group discussed voting on the IEBC code amendments. Everyone agreed that voting should wait until the ICB and IRC committees have made their amendments. We will review their amendments to see if we should amend the IEBC to align with their changes. Our next meeting date is to be determined, depending on the completion of the IBC and IRC amendments. Once that happens, Paul will be in touch to schedule our next meeting.
