**2. Steering Committee Membership Update**

- a. Mark Meranda is retiring.
- b. Jon Pennington will be the new steering committee member for the City of Sparks.

**3. Carry Over - Discussion**

**a. NEC - Article 100 Reliable Source of Power**

**i. Definition of Reliable Source of Power as proposed by the NEC committee**

Amendment document reads “Any intentional Shutdown longer than 10 hours” vs NFPA “Any shut down longer than 10 hours”.

NEC has no definition of reliable source of power. The committee suggested to amend a definition into the NEC and have proposed to use the NFPA definition. J. Penning will take this back to the committee to get further information about why the word “Intentional” was added into the definition.
