

Northern Nevada Chapter International Code Council Sponsorship Opportunity

Northern Nevada Chapter – International Code Council (NNICC)
501(c)(3) Nonprofit Organization • EIN 88-0266569

The Northern Nevada Chapter of the International Code Council (NNICC) is a 501(c)(3) nonprofit representing building officials, inspectors, plans examiners, fire officials, and code professionals serving communities across Northern Nevada. Our members play a critical role in protecting life safety, supporting resilient construction, and ensuring consistent application of building and energy codes.

Our Focus

The building safety profession evolves rapidly with frequent code updates, new technologies, and increasingly complex construction practices. Continuous education is essential to maintaining high standards and consistent enforcement across jurisdictions. NNICC is committed to providing accessible, high-quality training that supports certification maintenance, CEUs, and professional excellence.

Our Goal

Expand access to relevant practical training opportunities that strengthen the building safety profession and the communities we serve.

How Sponsors Support Training

Sponsor contributions help fund:

- Code update and specialty training courses
- Guest instructors and subject-matter experts
- Certification and CEU opportunities
- Hybrid and virtual training access
- In-kind donations of training, instructors, or educational sessions

Your support ensures Northern Nevada code professionals remain knowledgeable, confident, and prepared for evolving building and safety challenges.

General Sponsorship Opportunities

NNICC also welcomes general chapter sponsorships for organizations or individuals who want to support our mission beyond specific events. General sponsorships help sustain:

- Chapter operations
- Member resources
- Outreach and education efforts
- Scholarships or reduced-cost training

These contributions directly strengthen building safety across the region.

Sponsor Recognition

Sponsors are acknowledged as partners in public safety and professional development through:

- Recognition during sponsored training sessions
- Logo placement on training announcements and materials
- Optional vendor or informational presence, when appropriate
- Recognition in chapter communications

Sponsorship Options

Flexible partnership opportunities include:

- Full or partial training event sponsorship
- Speaker or instructor sponsorship
- Training material or technology support
- Scholarship-style sponsorships
- General chapter sponsorships
- In-kind training donations

Every level of support makes a meaningful impact.

Let's Partner

If you are interested in supporting training, professional development, or the broader mission of NNICC, we welcome the opportunity to connect.
